Professional Experience

PERSONIV MANILA | SR. ANALYST 2020-2024

Collaborate closely with clients to understand their goals and translate their requirements into functional and visually appealing websites. Made live changes to websites based on real-time requests, troubleshooting websites on platforms like Duda and WordPress. Responding to clients' inquiries via email and calls maintaining a positive tone and providing clear, helpful information and solutions.

PERSONIV MANILA | WEB DESIGNER 2017-2020

Design and implement web services to ensure seamless integration and efficient operation across various platforms and technologies. Create detailed mock-ups and narrative layouts to support effective project. Planned, developed and enhanced website content using graphic design, database tools, and animation software to deliver engaging and visually appealing digital experiences.

FIREPEAK MEDIA | WEB DESIGNER 2022-2024

As a freelance web designer my task is to transformed client ideas into visually appealing, responsive websites and graphics, ensuring user-friendly design and brand alignment. Managed website development, content updates, blog integration, and modifications to existing client sites for optimal performance.

Education

Southern Alberta Institute of Technology | Interactive Design Diploma 2024-2026

Major in Web Design and Development

University of Perpetual Help System DALTA | BSIT 2014-2017
